

**2022 Family Support Services (FSS) Grant for Goods & Services or
Respite (Revised 7/25/22)**

Catholic Charities Disabilities Services
1 Park Place, Suite 100 Albany, NY 12205
(518) 783-1111

Instructions: *Please read thoroughly prior to completing application.*

Family Reimbursement, formerly provided through ***Hispanic Outreach Services***, will continue under ***Catholic Charities of the Diocese of Albany*** through ***Catholic Charities Disabilities Services***. The program will provide supports in ***Albany, Rensselaer, Schenectady, Schoharie, Saratoga, Fulton, Montgomery, Warren and Washington counties***.

This grant provides financial assistance to families who are in need of respite services or funding for certain goods that are necessary to support the individual with the developmental disability. Because these funds are limited and very precious to so many families, it is expected that such funds requested through this grant cannot be provided through any other resource (Insurance, Public Assistance, HEAP, etc.), and that the Care Manager **has** exhausted those possibilities. Please note that any good/service requested must be related to the individual's intellectual or developmental disability and that the need cannot be based on financial basis alone. Also, FSS funds cannot be used to supplement an individual's services funded through the HCBS Waiver.

FSS Reimbursement Guidelines

Families who submit applications for this service and who have been notified that they are approved for Respite Reimbursement, are responsible for hiring their own provider and scheduling Respite with that provider. Documentation that the Respite was provided is submitted to CCDS via a Respite Verification Form provided. At that point, the family is reimbursed for costs incurred. *Please note that justification is required for any hourly payments that are less than minimum wage.

Families who submit applications who have been notified that they are approved for a good or service are responsible for making the purchase and submitting the original detailed receipt to CCDS for reimbursement. If there are circumstances preventing the family from doing this, other arrangements can possibly be made. We encourage families to consider options such as on-line purchasing and direct payments if needed. Please note that we are unable to disburse cash payments or gift cards in advance.

For 2022, the DDRO is only allowing families to enroll with one agency for reimbursement funds, whether it is for Respite, a Good/Service, or both. This is called Single Provider Enrollment. Care Managers should ensure that an individual applying for FSS reimbursement funds with CCDS is not enrolled with another FSS agency for reimbursement.

Due to Single Provider Enrollment, the dollar amount that can be requested has been increased. Under CCDS' Goods and Services grant, reimbursement can be made for up to \$1200 per individual per calendar year. Please remember that these are the amounts that can be requested but there is never a guaranteed approval amount.

Please note that we are unable to consider applications for camps outside of NYS. For 2022, any request for reimbursement toward camp expenses requires that the application include a DOH permit from the camp.

To be considered for reimbursement, **please submit a completed OPWDD FSS Family Reimbursement Application, along with ALL of the required information below.** Please note that all questions must be answered completely to have the application considered for approval. The individual must be a resident of one the counties listed above and live at home with his/her family. Individuals living independently or living in certified residential settings are not eligible for this program.

Please see the attached meeting schedule and application deadline information.

Please initial next to the information/documents enclosed with your application.

- Denial from Medicaid/Insurance (if applicable)
- Three estimates (if applicable)
- DOH Permit- if applying for camp reimbursement
- Yearly income of the family (wages from employment)
- A list of other financial supports the individual and/or family receives, i.e. SSI, SNAP, Child Support, HEAP, etc. Please also include monthly amounts for each support.
- Please note if the individual/family is or is not of Hispanic Descent. * This grant evolved from an agency whose ambition was to assist individuals of Hispanic origin.

In the event that the fraudulent claim is confirmed, the individual/family will be required to pay the amount reimbursed back to the agency (if the service/good was already reimbursed) and will be suspended from any future reimbursement for goods and services for a period of time determined by the agency and OPWDD. The recipient of the reimbursement may also be subject to legal actions as determined by the agency and OPWDD.

Families may submit requests for Reimbursement to the RO or a FSS Reimbursement provider agency at any time, depending upon which entity administers the reimbursement program in that region, using the form provided by the Family Reimbursement provider agency or obtained from the individual's Care Manager or Care Coordinator. Funds are available only on a contract year basis. Any authorized, but unused, reimbursements may not be carried over by a receiving family from one year to the next. For self-directing individuals, verification is made to ensure that the FSS program is included in the current budget. Anything submitted more than 90 days after purchase/occurrence will be awarded per the discretion of the Reimbursement Program provider.
