(Revised 7/25/22)

1 Park Place, Suite 100 Albany, NY 12205
(518) 783-1111

Instructions: Please read thoroughly prior to completing application.

Catholic Charities Disabilities Services' Respite Grant provides financial assistance to families who are in need of Respite Services living in the following counties: ***Albany, Rensselaer, Schenectady, Schoharie, Saratoga, Fulton, Montgomery, Warren & Washington counties.*** Families are eligible to apply if they have a family member with a developmental disability who lives at home and the family member has OPWDD Eligibility approval. Please note that we are not able to consider requests for camp expenses or activity expenses under any circumstances.

Families who submit applications for this service and who have been notified that they are approved for Respite Reimbursement, are responsible for hiring their own provider and scheduling Respite with that provider. Documentation that the Respite was provided is submitted to CCDS. At that point, the family is reimbursed for costs incurred. *Please note that justification is required for any hourly payments that are less than minimum wage.

For 2022, the DDRO is only allowing families to enroll with one agency for reimbursement funds, whether it is for Respite, a Good/Service, or both. This is called Single Provider Enrollment. Care Managers should ensure that an individual applying for FSS reimbursement funds with CCDS is not enrolled with another FSS agency for reimbursement.

Due to Single Provider Enrollment, the dollar amount that can be requested per individual, per calendar year has been increased. Requests for Respite Reimbursement can be made for up to \$3000 per individual per calendar year. Please remember that this is the amount that can be requested but there is never a guaranteed approval amount.

To be considered for Respite Reimbursement, **please submit a completed OPWDD FSS Family Reimbursement Application, along with ALL of the required information listed below.** Please note that all questions must be answered completely to have the application considered for approval. The individual must be a resident of the counties listed above and live at home with his/her family. Individuals living independently or in a certified residential setting are not eligible for this program.

- **Yearly income of the family (wages from employment)**
- **A list of other financial supports the individual and/or family receives, i.e. SSI, SNAP, Child Support, HEAP, etc. Please also include monthly amounts for each support.**
- **Please note if the individual/family is or is not of Hispanic descent.**
- **Please note if this is a single parent household and/or if the individual lives with a grandparent.**
- **Please note if there is more than one person with a disability in the home.**
- **Please note if the family has a respite provider in mind, should FSS funds be approved.**

In the event that the fraudulent claim is confirmed, the individual/family will be required to pay the amount reimbursed back to the agency (if the service/good was already reimbursed) and will be suspended from any future reimbursement for goods and services for a period of time determined by the agency and OPWDD. The recipient of the reimbursement may also be subject to legal actions as determined by the agency and OPWDD.

Families may submit requests for Reimbursement to the RO or a FSS Reimbursement provider agency at any time, depending upon which entity administers the reimbursement program in that region, using the form provided by the Family Reimbursement provider agency or obtained from the individual's Care Manager or Care Coordinator. Funds are available only on a contract year basis. Any authorized, but unused, reimbursements may not be carried over by a receiving family from one year to the next. For self-directing individuals, verification is made to ensure that the FSS program is included in the current budget. Inclusion of funding in the budget does not guarantee that the request will be approved. Reimbursement requests must be consistent with FSS guidelines. Applications may be submitted to any of the Family Reimbursement Program providers by individuals, families, case managers or advocates. Anything submitted more than 90 days after purchase/occurrence will be awarded per the discretion of the Reimbursement Program provider.
