The CCDS Individualized Community Services

Professional of the Month

Congratulations Charles Monson!

Charles has been with CCDS for many years. This coming October we will be celebrating "30 years" of Chuck providing amazing person-centered services. The person that he works with has been a long-term committed relationship that has provided many supports and assisted in many areas of growth. Together they do many activities weekly and have some very special yearly activities that they do together as well, including baseball games, basketball, games, concerts in the park and going out to eat. Through his work he has built a lifetime friendship that has provided encouragement, positivity, trust, happiness and reliability. We are so thankful for your commitment and dedication to those who chose us to provide their services. You are an irreplaceable part of our team and we thank you for all that you do today and every day!

Congratulations Charles on a well-deserved nomination!
